

**RICHARDSON INDEPENDENT SCHOOL DISTRICT**

**News Media Photograph/Image Consent and Release**

*Parents: From time to time, RISD invites credentialed news gathering organizations to cover specific events and activities at its schools. In connection with their coverage of the events, media representatives often request authorization to take photographs and to videotape students who are participating in the activities. Staff from RISD's Communications Department attend the events and monitor any media activity. Your authorization below will allow RISD to permit the organizations to publish photos and images of your child in local newspapers, etc. This authorization does not otherwise alter the directory information privacy election you made on your child's enrollment card.*

**Student Name:** \_\_\_\_\_ **School:** \_\_\_\_\_

I am the parent or legal guardian of the student named above and I hereby provide consent for credentialed newsgathering organizations authorized by RISD to video tape and/or photograph my student at a Richardson ISD-related event for potential publication or reproduction. RISD may release my child's name and school attended to the media to identify any photograph or video image of him or her that is released.

I understand that neither I nor my student will receive compensation, monetary or otherwise, in connection with any future publication or reproduction of any photographs or images of my child.

I hereby agree to hold Richardson ISD and its employees, trustees, and agents harmless in any matter or dispute arising from the publication or reproduction of images created at an RISD-related event.
